

Region 7 Gardener's Day Out Friday, July 11

We will travel to the Wooster area to visit several gardens, do some plant shopping and have lunch. We will carpool so there is no cost except on your own for lunch or shopping. Signup is required - contact Diane Daniels at 740-397-4505 or at olivegreen4@yahoo.com by June 14. Let her know if you need someone to ride with. The schedule for the day is as follows:

- 9:00 - Arrive at Anita Roller's house. We will look at her daylilies and have the opportunity to purchase them as well as Iris. Anita will take orders and take the plants to convention for pickup, or arrangements for delivery will be made by Region 7.
- 10:15 - Meet at ATI to tour the gardens containing new varieties of plants.
- 11:30 - Blanchards Daylily Garden in Apple Creek. The Blanchards will give us a tour of their beautiful gardens. They will also dig daylilies for purchase.
- 1:00 - Lunch at the Barn in Smithville. They also have several shops to visit.
- 2:30 - Arrive at Quailcrest Farm to shop for plants or gift items.

If you need more shopping time, you may want to check out the Pine Tree Barn or Richardson's Greenhouse, or drive through Secrest Arboretum before you leave the Wooster area.
